

MIDDLE SCHOOL DRESS CODE

Students are expected to follow this uniform dress code policy at all times during regular school hours and as designated for special events. From time to time, the headmistress may elect to observe "special" days where uniforms are not required. Unless notified of a non-uniform day, students shall be dressed appropriately.

Students found in violation of the dress code will be given a verbal warning and a notice will be sent home to the parents describing the infraction. The notice needs to be signed by the parent and returned to the school the following day.

All uniforms are to be ordered through Lands' End via the school catalog or online at www.landsend.com/uniforms. No substitutions will be permitted. When placing an order as a "preferred school", Lands' End will rebate 3% of the total sale back to Cross; therefore, when ordering clothes, please provide our preferred school number and logo number. These can be located on the mailing label of your current catalog and in the next paragraph.

Lands' End will accept orders throughout the school year; so it is not necessary to order all clothing items at once. However, items are often placed on back-order which will delay your order. Do not wait until the first cool weather to order sweaters, jackets and long sleeve shirts. Accessories need not be ordered through Lands' End.
